Developing Integrative on-line Parenting Courses: Strategies for Raising Children Affected by Adverse Childhood Experiences

MILESTONE ACHIEVED: COMPLETION OF FIRST ACTIVITY IN SMART PARENTING PROJECT!

We are excited to share with you the successful completion of the first activity in our Smart Parenting project. Our dedicated team has been hard at work, and we are thrilled to present the outcomes of our initial efforts:

Stay tuned for further updates as we embark on this remarkable endeavor together. Together, let's shape a brighter future for parenting in Oletta, Corsica!

R.2.1 Smart Parenting Summary: We have compiled a comprehensive Smart Parenting summary, exploring the EU regulatory framework of evidence-based parenting programs currently in implementation. For more details, please visit our website.

R.2.2 Training Parenting Programmes: Discover insights from the six national reports, each identifying gaps, inefficiencies, and needs in the current status of parenting programs at the national level. These reports offer a valuable understanding of the parenting landscape in each partner country.

R.2.3 Experts Identification Report: Our focus group of experts identification report is now available. Learn about the experts' profiles and categorizations, providing essential groundwork for the upcoming analyses in the field of family therapy.

R.2.4 Psychological Status Report: Explore the Psychological Status Report, delving into the psychological impact of current parenting programs. This report outlines useful psychological methods that can support the development of our Smart Parenting Model.

R.2.5 Coming Soon: Stay tuned for the upcoming release of our Parenting Behavioral-Change Future Insights Report. This report will provide early signs of potentially important core changes, emphasizing new positive parenting methodologies and their effects.

R.2.6 Smart Parenting Vision & Success Report: Our Smart Parenting Vision & Success Goals Guide is available now. This guide collectively builds the Smart Parenting vision, establishes user requirements and specifications for our model, and outlines metrics for assessing its effectiveness.

All these outputs are accessible on our website: www.smartparenting-project.eu

Thank you for your ongoing support. We are enthusiastic about the progress we've made and look forward to continuing this journey with you.
